

The Black Parallel School Board 's (BPSB) College Bound Care Package Fund Drive

In 2016 the Black Parallel School Board kicked-off the College Care Package Fund Drive by supporting one college bound student. In 2017 BPSB supported two college bound students with funds.

What is the College Care Package Fund Drive? The BPBS provide funds to college bound students who participated in BPSB's leadership program throughout the school year? Many of our students need additional financial support for such as items books, school supplies, items for their dorms as they start their college journey.

How can the community support College Care Package Fund Drive? Community members can provide tax deductible financial donations of \$5- \$25 or large donations of \$50-\$150 to support the College Care Package Fund Drive?

As students, graduate from high school and begin to transition into the college and alarming number of students with full or partial scholarships are not able to go to college because they do not have the financial means to cover their initial college expenses. The college supply checklist total between (\$1, 500- \$2, 500) can be very financially overwhelming especially for those students from low-income families.

The Black Parallel School Board has established a College Bound Care Package Program to help mitigate some of the expense challenges high school student's face when entering the college atmosphere.

Please make your check payable to Sacramento Independent Learning Center and mail to the **Black Parallel School Board** 4625 44th Street, Ste 5, Sacramento, CA 95820. In the check memo check please note BPSB/ CCPFund means--College Care Package Fund
