

On-Line Learning Resources

Khan Academy

Khan Academy is a non-profit educational organization created in 2008 by Salman Khan with the goal of creating a set of online tools that help educate students. The organization produces short lessons in the form of videos. Its website also includes supplementary practice exercises and materials for educator. <https://www.khanacademy.org/parent>

Scholastic News

Over 6 million students read Scholastic News every week! See why so many teachers rely on this exceptional magazine to engage their students, build nonfiction-reading skills, and increase content-area knowledge. <https://scholasticnews.scholastic.com/>

Prodigygame

The engaging, curriculum-aligned math platform loved by over 50 million students, teachers and administrators. <https://www.prodigygame.com/>

PBS

PBS and your local station have curated FREE, standards-aligned videos, interactives and lesson plans <https://www.pbslearningmedia.org/>
